

Copying a Template to Another Avatar

Copying a template to another page is a fast and simple way to use existing content for another brand avatar.

Even if you don't plan to use the content exactly as you originally created, this can make for a great way to have a starting template.

The process is very simple.

1. First visit your Content Templates Page

 and or type unknown

2. Next, find the specific template you wish to copy and click the horizontal 3 dots on the far right side.

 and or type unknown

3. After clicking there you will see the following box, to which you will click the "Copy to Another Page" item.

 and or type unknown

4. Finally, you will see a window like below asking you to select which of your Brand Avatars you wish to receive this template copy. Make your selection and click "Copy Now".

 and or type unknown
